

CALLING ALL PATRIOTIC COMMUNITIES!

The America 250 Missouri Commission
invites you to participate in a series of events
as we count down to July 4, 2026.

PATRIOTIC PLANTINGS

Start planning now for floral displays for next spring. Courthouses, businesses, and personal residences are encouraged to design flower beds and containers incorporating red, white, and blue! Driving through neighborhoods to see next summer's flora, fauna, and flags will rival the tradition of viewing Christmas light displays. Start planning your summer display and set aside the proper funds for Patriotic Displays 2026!
